

by **R.S. Malik, G.S. Meo**

For I.T.I. polytechnic, Engineering students and architectural draughtsmen and Practicing Engineers in field

- Buildings
- Irrigation
- Public Health

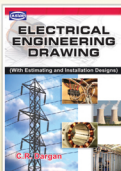

978-81-7318-002-6 Pages 548

₹ 313.50

With Estimating and Installation designs for Polytechnics as per syll. of various tech. boards

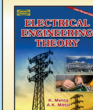

by **C.R. Dargan**

- Symbols & Abbreviation
- Power Plant & Sub Stations
- Three Phase, Four wire supply
- House Service Connections
- AC Motors • DC Machines
- Transformers
- Electrical Instruments/Circuits
- Wiring faults, Protection & Earthing
- Diversity/Contactor control Circuits

81-7318-003-2 Pages 378

₹ 232.50

ELECTRICAL ENGINEERING THEORY

K. Mehta

₹ 268.50

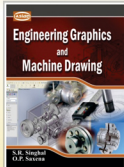

AUTOMOBILE ENGINEERING THEORY

Kapil Dev

₹ 169.50

According to latest syllabi of Engg. Colleges of various Universities by **Singhal, Saxena**

- Latest Syllabi Covered
- Latest BIS standards followed
- 880 Figures
- 295 Problems with Solutions
- 281 Exercises for self assessment
- Drawings using latest computer designing systems neatly explained

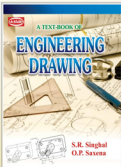

978-81-7318-663-3 Pages 516

₹ 223.50

Rev. Edition

by **Singhal, Saxena**

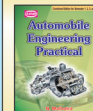

A Textbook for Polytechnic/Engg. students as per latest syllabus

For 1st and 2nd Semesters as per Syllabus of various state Technical Board & Engineering Universities

978-81-7317-563-3 Pages 480

₹ 205.50

AUTOMOBILE ENGINEERING PRACTICAL

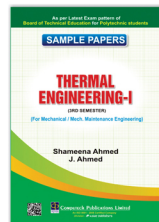

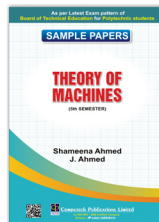

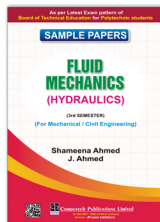

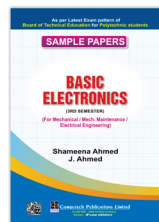

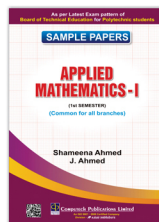

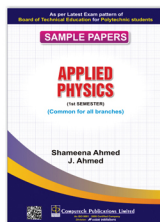

N. Malhotra

₹ 277.50

CIVIL ENGINEERING 1000 Q.-ANS.	Mero	₹ 64.50
