With fast changing face of commerce and trade in our country, developers of 'Tally' have affected vast changes in their latest version of the software to give flexibility in its working. Now it has become possible to work in almost all Indian regional languages in this latest version. Another exclusive feature of this newly launched version namely Tally.ERP 9 is that, you can customize its options according to your personal working requirements. As your business grows and transcends state and international borders, you need a business accounting software that keeps pace with your complex business demands and simplifies growth. The software you choose must offer you greater speed, power and reliability, besides having the ability to adapt quickly to your business. Tally.ERP 9 was engineered to effectively fulfill these needs and help overcome the challenges of a growing business.

Powered by Tally's path-breaking proprietary technology - C:MuLate (Concurrent Multi-lingual Accelerated Technology Engine) and .NET– Tally.ERP 9 is the result of a perfect fusion between the Concurrent Multi-lingual Platform and Object Oriented Database Engine with .NET technology. This technology is what ensures the blazing speed, power, scalability and world-class reliability that Tally.ERP 9 promises.

The dynamic features and MIS capabilities in Tally.ERP 9 are designed to simplify your business operations, while giving you complete control over your accounting, inventory and statutory processes. Multi-lingual and data synchronisation capabilities, allow you to transact business without language barriers or geographical boundaries. Tally.ERP 9 is very simple to learn and even easier to use. And the advantages of using Tally.ERP 9 are apparent from the start.

This book presents the use of Tally.ERP 9. You can learn to do all procedures of Financial Accounting, Inventory Control and VAT accounting. It is sincerely hoped that users of Tally will be able to use the book for learning all aspects of Tally.ERP 9 independently and move forward for a bright future.
