

Preface

As taxation system has been undertaking extensive transformation in our country with introduction of **GST** in place of a number of taxes that existed thus far on state and centre level, developers of 'Tally' have effected vast changes in their latest version (*Release 6.5.4*) of the software to give capability and power to deal with new **GST** regime. You can work in almost all Indian regional languages in this latest version. Another exclusive feature of this newly launched version namely **Tally.ERP 9 (Release 6.5.4)** is that you can customize its options according to your personal working requirements. As your business grows and transcends state and international borders, you need a business accounting software that keeps pace with your complex business demands and simplifies growth. The software you choose must offer you greater speed, power and reliability, besides having the ability to adapt quickly to your business. Tally.ERP 9 was engineered to effectively fulfill these needs and help overcome the challenges of a growing business.

The dynamic features of GST (such as Reverse Charges, Composite and Mixed Supply, ITC, filing GSTR etc.) and MIS capabilities in **Tally.ERP 9 (Release 6.5.4)** are designed to simplify your business operations, while giving you complete control over your accounting, inventory and statutory processes. **In this latest edition, description for generating e-Way bill in it's latest Ver. 6.5 + has been explained in details.** Multi-lingual and data synchronisation capabilities allow you to transact business without language barriers or geographical boundaries. Tally.ERP 9 is very simple to learn and even easier to use. And the advantages of using Tally.ERP 9 are apparent from the start.

This book presents in detail, the use of Tally.ERP 9 for the new GST regime. You can learn to do all procedures of accounting with respect to Payroll, Job Work, Banking, GST, TDS, TCS, POS and Job Costing etc. Various tax systems have been described, not only from the point of view of its applications in the software, but also for its conceptual understanding so that users wouldn't need to buy a separate book for getting knowledge of the new tax systems. It is sincerely hoped that users of Tally will be able to use the book for learning all aspects of Tally.ERP 9 independently and move forward for a bright future.

Contents

1. Tally.ERP9 (6.5 +): Installation and Activation	1-6
Features of Release 6.5 +	1
Upgrading to the Latest Tally.ERP 9 Release	2
Activating Your Tally.ERP 9 License	3
Activating Your Tally.ERP 9 License as a Multi-Site Account	4
Configuring Your Tally.ERP 9 License	5
Updating Your Tally.ERP 9 License	6
2. Company Setup with GST	7-12
To create a company in Tally.ERP 9	7
To maintain company data using Tally.Server 9	8
Altering a Company, Deleting a Company, Shutting a Company	9
Loading a Company, To load company data manually	10
To load company data on starting Tally.ERP 9, To load multiple companies data	10
Managing Group Company, Creating Group Company, To create a group company	11
Altering Group Company, To alter a group company	12
3. GST (Goods and Services Tax): An Introduction	13-26
How does GST work?, GSTN	15
Which Taxes will GST Replace?, Accounts and Other Records	16
Electronic Cash & Credit Ledger, Period for Retention	17
Time, Value and Place of Supply under GST	17
E-way bill and IGST, What is an e-way bill?	18
When should an e-way bill be generated?, What is a 'supply' in case of e-way bill?	18
Who can generate e-way bill?	18
Important E-way bill rules	19
Invoicing under GST	20
Time limit for invoicing under GST, Essential GST Invoice Details	20
ITC Rules for Common Credit under GST	21
Rules for determination of Input Tax Credit for a registered person	21
GST Returns, Purpose of returns, Refund Under GST, Electronic cash ledger	23
Forms for application of refund under GST, TDS and TCS under GST	24
TCS compliance for e-commerce sector	24
4. Setting Features and Configure Tally.ERP9 (Rel. 6.5)	27-52
Enable company features	27
Accounting Features, General Accounting Features	28
Outstanding Management Features, Cost/Profit Centres Management Features	29
Invoicing Features	29
Budgets & Scenario Management Features, Banking Features, Other Features	30
Inventory Features, General features	31

Storage and Classification, Order Processing, Invoicing, Purchase Management	32
Sales Management, Other Features, Statutory and Taxation	33
TSS Features, F5: Audit Features, F6: Add-On Features	34
Configure Tally.ERP 9 according to your work (F12)	35
Changing Numeric Symbols Style	35
Accounts and Inventory Info Configuration, Voucher Entry Configuration	36
Accounts	37
Inventory	38
Payroll, Statutory, Invoice, Delivery Note, or Order Configuration	39
General Options	40
Exporter's Options, Inventory, Statutory, Banking Configuration	41
Data Configuration	42
Accessing data from Tally.Server 9, Advanced Configuration	43
Client/Server Configuration, Connection Configuration, Log Configuration	44
Printing Configuration, General Printing Configuration	44
Advanced Printing Configuration	45
Purchase Order Printing Configuration	46
Purchase Invoice or Voucher Printing Configuration, Receipt Note Printing Configuration ...	47
Payment Voucher Printing Configuration, POS Invoice Printing Configuration	48
Delivery Note Printing Configuration, Sales Order Printing Configuration	49
Sales Invoice Printing Configuration, Receipt Voucher Printing Configuration	50
Journal or Contra Vouchers Printing Configuration, Debit/Credit Note Printing	51
Printing Accounts Confirmation Statements	51
Payment Advice Printing Configuration, Product and Features	52
5. Activating GST	53-68
Setting Up GST Rates	54
Creating, Using, and Updating GST Classifications	55
Updating Stock Items and Stock Groups for GST, Updating a stock item	58
Updating a stock group	59
Non-GST Goods, Setting MRP details	60
Setting slab-wise GST details (tax on item rate)	62
Mapping UoM to UQC	63
Updating a Service Ledger for GST Compliance	64
Updating Sales and Purchase Ledgers for GST	64
Updating a Sales Ledger	65
Updating a Purchase Ledger, Updating Party GSTIN/UIN	66
Import Party GSTIN	66
Creating GST Ledgers, Creating Expense and Income Ledgers in GST	67
Providing GST Details, F12: Configure	68
6. Creating Master Heads for Financial Accounting	69-94
What is Groups?	70
Managing Groups in Multiple Companies	79
Ledger Introduction and Creation	80
Creating Bank Ledgers	84
Voucher Types	91
Voucher Class -An Introduction	94
7. Creating Master Heads for Inventory Accounting	95-108
Features and Configuration Options (F11, F12)	96
Stock Group Introduction and Creation	96
Creating Stock Groups	97
Creating Multiple Stock Groups	98

Stock Categories	100
Creating Multiple Stock Categories	101
Stock Items Introduction and Creation	103
Creating Stock Items with Advanced Entries	105
8. Units of Measure, BOM and Locations (Godowns)	109-124
Creating Compound Unit of Measure	110
Altering Units of Measure	111
Displaying Units of Measure, Bill of Materials	112
Creating a Location or Godown	121
Batches and Expiry Dates	122
Creating Stock Journal Voucher Class	124
Creating a Manufacturing Journal Voucher Type	124
9. Recording Accounting Vouchers	125-144
Accounting Vouchers Configuration	125
Predefined Vouchers in Tally.ERP 9	126
Payment Voucher	129
Recording a Payment Entry using Bank	130
Warn on Negative Cash Balance	131
Pre-allocate Bills for Payment or Receipt, Making a Receipt Entry	132
Making a Purchase Entry	135
Configuring an Invoice	136
Creating Sales Voucher	138
Printing a Sales Invoice	142
Recording a Journal Entry, Creating Debit Note	143
Recording Credit Note	144
10. Recording Inventory Vouchers	145-160
Receipt Note Voucher (GRN)	146
Rejections In Voucher (Sales Returns)	147
Creating Delivery Note Voucher	148
Rejections Out Voucher (Purchase Returns)	149
Creating Material Out Voucher	150
Stock Journal Voucher	153
Manufacturing Journal Voucher	155
Transfer Journal Voucher	157
Physical Stock Voucher, Reversing Journals	158
Memorandum Voucher	159
Optional Vouchers	160
11. Recording Purchase and Sales	161-176
Selecting the purchase ledger in a purchase transaction	161
Nil Rated Purchases, Exempt Purchases	162
SEZ Purchases	163
Purchase of works contract services	164
GST Sales, Selecting the sales ledger in a sales transaction	165
Nil-rated Sales, Exempt Sales	166
SEZ Sales	167
Deemed Export, Sales to consumers - Taxable and Exempt	168
GST Sales Involving Consignee (Ship To) and Buyer (Bill To)	169
Sale of works contract services	170
Local Sales	171
Interstate Sales	173

Sales of Items Following Slab Rate	173
Sales of Goods and Services in a Single Invoice	174
